

THE KAWARTHA PINE RIDGE DISTRICT SCHOOL BOARD

Given the impact that the declining number of students will have on the City of Peterborough secondary schools into the foreseeable future (2021), Scenarios A through D will, to some extent, alleviate the programming issues as well as reduce maintenance costs.

ACCOMMODATION REVIEW - SECONDARY SCHOOLS - SCENARIOS

Note: All scenarios and related data are based on action taken as of September 2012.

SCENARIOS	PROS	CONS
<p align="center"><u>SCENARIO A</u></p> <p>Close Adam Scott CVI and Adam Scott Int. effective September 2012.</p> <p>>Move English and French Immersion students in grade 7 - 12 to TASSS. >Give future consideration to French Immersion students moving to PCVS as its enrolment declines.</p>	<ul style="list-style-type: none"> • AS student body remains together • addresses enrolment at TASSS (1300 students; 103% OTG) 	<ul style="list-style-type: none"> • does not address enrolment at KCVI (610 students; 67% OTG) • does not address PCVS enrolment (650 students; 77% OTG) • potential increase in transportation costs • almost fully accessible school
<p align="center"><u>SCENARIO B</u></p> <p>Close Kenner CVI and Kenner Int. School effective September 2012.</p> <p>>Keep Grade 7 & 8 students at their respective feeder schools. >Transfer Otonabee Valley P.S. feeder students to TASSS. >Transfer Roger Neilson P.S. and Keith Wightman P.S. feeder students to PCVS. >Move IB program to Adam Scott.</p>	<ul style="list-style-type: none"> • addresses excess capacity in KCVI feeder schools (90% OTG) • addresses enrolment at ASCVI (1000 students; 99% OTG) • addresses enrolment at PCVS (910 students; 108% OTG) • potential decrease in transportation costs 	<ul style="list-style-type: none"> • does not address enrolment at TASSS (585 students; 45% OTG) • fully accessible school • only school in south end of city • possible IB certification issue

Note: All scenarios and related data are based on action taken as of September 2012.

SCENARIOS	PROS	CONS
<p style="text-align: center;"><u>SCENARIO C</u></p> <p>Close PCVS effective September 2012.</p> <p>>Transfer Westmount P.S. and Prince of Wales P.S. feeder students to Kenner. >Transfer Queen Mary P.S. and Highland Heights P.S. feeder students to Adam Scott. >Move Integrated Arts Program to TASSS.</p>	<ul style="list-style-type: none"> • addresses enrolment at ASCVI (900 students; 89% OTG) • all secondary students will have full range of facilities/programs • not accessible • potential decrease in transportation costs 	<ul style="list-style-type: none"> • does not address enrolment at KCVI (705 students; 77% OTG) • does not address enrolment at TASSS (865 students; 67% OTG) • closes the most centrally located school
<p style="text-align: center;"><u>SCENARIO D</u></p> <p>Close TASSS effective September 2012.</p> <p>>Transfer North Shore P.S. feeder students to Kenner. >Transfer Armour Heights P.S. feeder students to Adam Scott. >Move students from Omemee area to Adam Scott.</p>	<ul style="list-style-type: none"> • addresses enrolment at ASCVI (980 students; 96% OTG) • addresses enrolment at KCVI (780 students; 85% OTG) • minimal impact on transportation costs • lowest current and projected enrolment • reduces excess capacity/square footage by the largest amount of the four secondary schools • possible largest resale value • not fully accessible 	<ul style="list-style-type: none"> • does not address PCVS enrolment (650 students; 77% OTG) • loss of largest property along with natural habitat

Note: All scenarios and related data are based on action taken as of September 2012.

SCENARIOS	PROS	CONS
<p style="text-align: center;"><u>SCENARIO E</u></p> <p>Leave ASCVI, KCVI, PCVS and TASSS open. (Status quo)</p>	<ul style="list-style-type: none"> • eliminates emotional impact of school closure and consolidation 	<ul style="list-style-type: none"> • does not address enrolment at ASCVI (831 students; 82% OTG) • does not address enrolment at KCVI (610 students; 67% OTG) • does not address enrolment at PCVS (750 students; 77% OTG) • does not address enrolment at TASSS (535 students; 41% OTG)
