Your assistance in providing the following information as part of your request to present to the ARC is appreciated. Your written application should be brief and should adhere to the following format.

1. PURPOSE

Please provide one or two statements outlining the topic of your presentation.

The topic of my presentation will be how the diversity + inclusivity at PCVS makes the school community non-transferable.

2. RATIONALE

Provide background facts and information which will assist the ARC with understanding the issue.

Realizing that a large part of the ARC's job is to determine which school's facilities can be most easily moved were it closed, I want to highlight that facilities aren't the only things that make a school - students make school. Part of the ARC process is looking at a school's value + it's students - feeling included at their high school is of immeasurable importance to a student. The inclusivity at PCVS cannot be moved +
