

# Strategies for Studying

**1**

**make a study space**

**2**

**reduce distractions – social media**

**3**

**chunk the work – make a study plan – schedule breaks**

**4**

**read your notes aloud**

**5**

**make a chant or a rap to help remember key information**

**6**

**make flash cards – study notes – formula sheets**

**7**

**use mnemonics – a song, rhyme or phrase to help remember a list of facts**

**8**

**draw diagrams-use visuals to remember the information**

**9**

**teach someone else the information**

**10**

**test yourself and make up quizzes**
