

April 29, 2022

Dear Parents and Guardians,

As part of the Ministry of Education's learning recovery plan for language and math, tutoring opportunities are available for K-12 students. School-based tutoring outside of school hours delivered by KPRDSB teachers is available to a number of students at each school who meet the criteria, based on their current academic needs. Selected families will receive information about this program directly from their schools early next week. If families have not heard from schools by Tuesday, May 3, and they believe that their children require this additional support, further inquiries about this opportunity can be directed to kpr_tutoring@kprdsb.ca or at 1-877-741-4577 / 705-742-9773 ext. 3700.

Some families may be currently accessing or considering support for their child(ren) through the following recognized tutoring companies outside school. As part of our tutoring support plan, the Kawartha Pine Ridge District School Board **will partially subsidize tutoring services offered by the following tutoring companies, up to an established funding cap to be managed by the company, between April 1, 2022 and December 31, 2022 only**. Due to the high level of interest in this program, and limited funding, we have had to place a cap on the subsidy amount, which means that participating families will receive a discount on the services.

To arrange tutoring, parents/guardians need to contact the following tutoring companies **directly**. *Please note that companies have already received a high volume of requests, which may impact availability of services.* The recognized tutoring companies available for this opportunity and who have signed contracts with KPRDSB are:

- Dropkick Math Academy: info@dropkickmath.com
- Dr. Clark's Reading Centre: www.drclarksreadingcentre.ca
- Kumon Learning: Peterborough: charansheelsembhi@ikumon.com or (705) 741-6286
- Scholar Education Peterborough: Peterborough@scholarsed.com or (705) 742-4152
- Study Partners Tutoring: learning@studypartners.ca or 1-833-788-3987
- Sylvan Learning Centre: info@sylvaneducate.com or 905-725-6904
- Tutor Bright sverma@tutorbright.com (647) 588-5051
- Tutor Doctor: ahosein@tutordoctor.com or 1-855-TUTOR22

Parents must provide a recent report card to the tutoring company as proof of enrolment in a KPRDSB school.

For reasons of student safety and liability, individual tutoring arrangements with families (private tutoring) cannot be funded by the Board at this time.

Questions regarding tutoring can be directed to the tutoring company or to the Kawartha Pine Ridge District School Board at kpr_tutoring@kprdsb.ca or at 1-877-741-4577 / 705-742-9773 ext. 3700. We will respond to parent/guardian questions as soon as possible.
