

Expression of Interest for Student Census Advisory Groups

The Kawartha Pine Ridge District School Board is seeking volunteers to sit on Student Census Advisory Groups for specific identity groups.

In 2018 the Kawartha Pine Ridge District School Board (KPRDSB) undertook a Student Census to get a better understanding of the students and communities that we serve, and to identify any potential gaps and/or barriers to student success within our Board.

While the data is important, understanding the lived experiences of those who the data represents is even more important and vital to the success of this work. Advisory groups will work collaboratively and share lived experiences that will help us to analyze and interpret the data, identify barriers, and ensure that all students in our Board are successful.

We are seeking members for the following advisory groups:

- Indigenous Students
- Black Students
- South Asian Students
- Racialized Students
- Jewish Students
- Sikh Students
- Muslim Students
- 2SLGBTQ+ Students

To be a member of the advisory group, you must live and/or work in the communities served by KPRDSB, and either:

- self-identify as belonging to the group, and/or,
- be a parent, guardian, or caregiver of a child who self-identifies as belonging to the group, and/or,
- be an agency, community organization or community partner that provides specific supports and/or resources to individuals who self-identify as belonging to the group.

If you are interested in being on one or multiple advisory groups, please forward the following information to: Aida Poulin (aida_poulin@kprdsb.ca), Administrative Assistant for Equity, Diversity and Inclusion.

- name of the advisory group(s) you are interested in participating on
