Kawartha Pine Ridge District School Board Policy BA-7.1, Student Accommodation/School Boundaries, and Administrative Regulation BA-7.1.1 Student Accommodation/School Boundaries, cover the admission of students to schools that are not designated as a student’s home school.

It is the sole discretion of the school principal to approve an out-of-boundary request.

Once approved, and as noted in the Administrative Regulation, a student is permitted to remain in that specific elementary or secondary school until graduation.

It is imperative however, that parent(s)/guardian(s) and the student understand an out-of-boundary approval DOES NOT entitle the student to transportation. Transportation requests must be made by the parent/guardian on an annual basis through Student Transportation Services of Central Ontario (STSCO). These requests are subject to space availability and the ability to get the student to and from the bus stop nearest their home address. Bus routes WILL NOT be altered to accommodate out-of-boundary students. There is NO GUARANTEE of space availability from one year to the next.

Additionally, out-of-boundary approval for one student DOES NOT entitle siblings to out-of-boundary approval. Sibling requests are separate requests considered on their own and subject to circumstances at the time of that request.

By signing below, the parent/guardian acknowledges having read, understood and agreed to the above. Failing to accept these terms will result in the out-of-boundary request being denied.
