1 Board Wide Enrolment Trends & Facility Utilization

In 2025-2026, the school board experienced a small decline in enrolment. It is anticipated a slow rate of decline will continue over the next ten years. Contributing factors to this decline include:

- declining birth rates across the district,
- declining net migration of school aged children into the district, likely as a result of a decline in housing starts,
- shifting school age demographics (i.e., larger cohorts graduating than entering the system), and
- declining capture rate, with 2025-2026 having the lowest capture rate over the past 10-year period.

Facility utilization is close to 100% at the elementary level, and close to 90% at the secondary level. However, facility utilization is not uniform across the school board. The school board has made several changes over the past few years (i.e., changes in family of school groupings, changes in grade cohorts, boundary adjustments) to address this imbalance. Further, over the next few years, the school board will be completing several capital projects (i.e., new schools, school additions) which will create additional pupil spaces. The school board will continue to monitor enrolment and residential development-related growth and make further recommendations for managing growth if necessary.

2 Capital Projects & Building Investment

2.1 Capital Projects

Currently the school board is working on capital projects that will create additional facility and pupil spaces within the system:

Northglen Orchard Public School (PS) will be a 769-pupil-place Junior Kindergarten (JK) to Grade 8 school. The build includes a 4-room childcare which will create 73 licensed childcare spaces. The school is located in the Northglen neighbourhood in Bowmanville. Northglen Orchard PS is projected to open in September 2026.

Highlands of Millbrook neighbourhood school will be a 481-pupil-space elementary school. The project includes the construction of a 4-room childcare which will create 73 licensed childcare spaces. The school will be in the Village of Millbrook. It is anticipated that construction will begin in the fall of 2026.

Foster Northwest neighbourhood school will be a JK to Grade 12 school and will create 757-elementary-pupil-places and 688-secondary-pupil-places for a total of 1,445-pupil-places. The build includes a 3-room childcare which will create 49 licensed childcare spaces. The school will be in the Foster Northwest neighbourhood at Grady Drive and Ruddell Road in Newcastle. It is anticipated that construction will begin in 2027.

Project updates are available on the Board's website, <https://www.kprschoools.ca/our-board/student-accommodation-planning/>

2.2 Building Investment

In the 2025–2026 school year, the school board is continuing to invest in its facilities through its annual \$24 million capital renewal budget, in addition to provincial Accessibility for Ontarians with Disabilities Act (AODA) funding. A key shift this year is the transition from classroom refresh projects to the construction of modernized washroom facilities designed to improve student privacy, accessibility, and comfort.

Funds will also support critical building renewal needs identified through the school board's long-term renewal plans. This work includes Heating, Ventilation and Air Conditioning (HVAC) system replacements and upgrades, roofing, window and door replacements, as well as ongoing painting and asphalt maintenance programs. Through these investments, the school board continues to provide safe, accessible, and well-maintained learning environments that support students and staff while addressing long-term accommodation and facility needs.

3 Elementary Planning Areas 2026 Update

3.1 Elementary Planning Area 1

School	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
		2020	2025	2030	2035	2025	2030	2035
Newcastle PS	554	594	666	598	589	112	44	35
Orono PS	222	199	248	280	290	26	58	68
The Pines Senior PS	251	369	436	438	402	185	187	151

Elementary Planning Area 1 (EPA 1) consists of the eastern area of Clarington and includes Newcastle PS, Orono PS and The Pines Senior PS. Housing development continues in the Foster Northwest subdivision and is anticipated to reach full build-out in the 2026-2027 school year. Students from this neighbourhood have been attending Waverley PS as a holding school. The holding area designation has been removed from this area, with students now attending their regular homeschool, Newcastle PS. A large development north of Newcastle has been approved; however, development has not started. This development plan has been identified as a holding area, and students will attend Harold Longworth PS as a holding school. The municipality has not received any development applications within the two secondary plan areas (i.e., the North Village Secondary Plan, Wilmont Creek Secondary Plan) nor has housing development commenced in any of the on-going development areas. Therefore, it is anticipated that enrolment growth will remain stable in the 2026-2027 school year.

Action	Status
Immediate Term (1-3 years)	
Monitor enrolment and building utilization at Newcastle PS and Orono PS.	On-going.
Monitor enrolment and building utilization at the holding schools (i.e., Waverley PS, Harold Longworth PS).	On-going. Holding school at Waverley PS has been removed, effective September 2026, as enrolment has stabilized at Newcastle PS.

Action	Status
Initiate a boundary review to establish the school attendance area for the Foster Northwest neighbourhood school.	Scheduled to commence in the 2026-2027 school year.
Medium Term (3-5 years)	
Medium-term actions were not recommended.	
Long Term (5-10 years)	
Monitor growth in the northern part of Newcastle, specifically in the North Village secondary plan area.	Housing development has not started.
When growth is projected to exceed pupil places in this planning area, consider the purchase of the identified school site north of the existing Village of Newcastle and the submission of a Capital Priorities request for a new elementary school.	Housing growth has not started.

3.2 Elementary Planning Area 2

School	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
		2020	2025	2030	2035	2025	2030	2035
Courtice Intermediate School	115	216	222	208	206	107	93	91
Courtice North PS	353	475	526	499	521	173	146	168
Dr. Emily Stowe PS	422	341	383	356	364	(39)	(66)	(58)
Dr. G.J. MacGillivray PS	795	864	864	840	819	69	45	24
Lydia Trull PS	469	287	368	402	430	(101)	(67)	(39)
S.T. Worden PS	254	235	257	270	282	3	16	28

Elementary Planning Area 2 (EPA-2) consists of Courtice and the surrounding area. The schools within EPA-2 include Courtice Intermediate School, Courtice North PS, Dr. Emily Stowe PS, Dr. G.J. MacGillivray PS, Lydia Trull PS, and S.T. Worden PS. Housing development in the southern portion of Courtice has begun, with building permits being issued in the Courtice Glen neighbourhood. Development applications are or will be coming

forward in all three of Courtice’s secondary plan areas in the southern part of Courtice (i.e., Courtice Transit Oriented Community Secondary Plan, Southeast Courtice Secondary Plan and Southwest Courtice Secondary Plan). Elementary school sites have been identified in these secondary plans and Planning Services staff are actively working with the municipality and developers to ensure appropriate school sites are identified in development plans as they come forward.

Action	Status
Immediate Term (1-3 years)	
Monitor enrolment and building utilization at Courtice North PS.	On-going.
Secure Option to Purchase Agreement for the school site identified in the south-eastern part of Courtice.	In progress.
Medium Term (3-5 years)	
Medium-term actions were not recommended.	
Long Term (5-10 years)	
Monitor enrolment and building utilization at Dr. G.J. MacGillivray PS and Courtice Intermediate School.	On-going.
Monitor growth in the southern part of Courtice, specifically in the Southeast Courtice secondary plan area. Consider the purchase of the identified school site in the Southeast Courtice secondary plan area and the submission of Capital Priorities request for a new elementary school.	Not started.

3.3 Elementary Planning Area 3

	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
School		2020	2025	2030	2035	2025	2030	2035
Central PS	234	176	276	316	342	42	82	108
Charles Bowman PS	686	794	612	645	644	(74)	(41)	(42)
Clarington Central Intermediate	161	181	109	n/a	n/a	(52)	n/a	n/a
Dr. Ross Tilley PS	456	548	606	638	643	150	182	187
Duke of Cambridge PS	703	859	717	631	639	14	(72)	(64)
Enniskillen PS	219	218	221	184	190	2	(35)	(29)
Hampton Junior PS	144	146	146	105	118	2	(39)	(26)
Harold Longworth PS	585	497	514	435	381	(71)	(150)	(204)
John M. James PS	432	455	536	523	543	104	91	111
M.J. Hobbs Senior PS	285	313	310	251	204	25	(34)	(81)
Northglen Orchard PS	769	n/a	554	610	601	n/a	(159)	(168)
Vincent Massey PS	395	339	409	448	433	14	53	38
Waverley PS	432	327	468	554	534	36	122	102

Elementary Planning Area 3 (EPA-3) encompasses Bowmanville and Northwest Clarington, and includes Central PS, Charles Bowman PS, Clarington Central Intermediate School, Dr. Ross Tilley PS, Duke of Cambridge PS, Enniskillen PS, Hampton Junior PS, Harold Longworth PS, John M. James PS, M.J. Hobbs Senior PS, Northglen Orchard PS, Vincent Massey PS, and Waverley PS. There are five secondary plans situated in EPA-3, however, to date there has been very limited housing development. Between the lack of new housing starts and with the opening of Northglen Orchard PS, which added 769 pupil spaces to the system, it is anticipated that overall enrolment in this planning area will remain stable over the next few years.

Action	Status
Immediate Term (1-3 years)	
The school board will continue to utilize portable classrooms and enrolment caps/overflow schools to manage enrolment at Central PS, however, given space and infrastructure limitations at the school site, a boundary adjustment and/or change in grade cohorts will need to be considered.	On-going.
Monitor enrolment and building utilization within the schools affected by the boundary adjustments approved in 2023 (i.e., Northglen Orchard PS, Charles Bowman PS, Waverley PS, etc.).	On-going.
Secure Option to Purchase Agreement for the school site identified in the Brookhill Neighbourhood Secondary Plan.	Not started.
Medium Term (3-5 years)	
Medium-term actions were not recommended.	
Long Term (5-10 years)	
Monitor enrolment and building utilization at Dr. Ross Tilley PS and Waverley PS.	On-going.
Monitor intensification and infill development in the Bowmanville East Urban Centre and the Bowmanville West Urban Centre and Major Transit Station Area Secondary Plans. Continue to work with the municipality and developers to secure future school sites within high-density mixed-use buildings (e.g., podium style school).	Housing development has not started.
Monitor the development of the Soper Hills and Soper Springs Secondary Plans. Continue to work with the municipality and developers to secure future school sites.	Housing development has not started.

3.4 Elementary Planning Area 4

	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
School	Capacity	2020	2025	2030	2035	2025	2030	2035
Adam Scott Intermediate	248	327	327	284	260	79	36	12
Crestwood Intermediate	265	204	194	155	161	(71)	(110)	(104)
Edmison Heights PS	432	617	453	391	385	21	(41)	(47)
Highland Heights PS	300	195	244	260	247	(56)	(40)	(53)
James Strath PS	714	630	705	592	582	(9)	(122)	(132)
Kawartha Heights PS	268	254	243	250	243	(25)	(18)	(25)
Keith Wightman PS	353	234	233	281	258	(120)	(72)	(95)
Kenner Intermediate	306	182	113	61	62	(193)	(245)	(244)
Millbrook/South Cavan PS	447	440	580	561	579	133	114	132
North Cavan PS	130	178	224	206	192	94	76	62
North Shore PS	441	371	406	426	402	(35)	(15)	(39)
Otonabee Valley PS	459	225	333	377	309	(126)	(82)	(150)
Prince of Wales PS	622	538	543	540	550	(79)	(82)	(72)
Queen Elizabeth PS	295	236	229	221	206	(66)	(74)	(89)
Queen Mary PS	421	365	354	298	284	(67)	(123)	(137)
R.F. Downey PS	222	236	262	280	295	40	58	73
Roger Neilson PS	338	266	305	336	339	(33)	(2)	1
Westmount PS	573	273	423	357	368	(150)	(216)	(205)

Elementary Planning Area 4 (EPA-4) encompasses the City of Peterborough and the southwestern portion of the County of Peterborough. Schools within EPA-4 include Adam Scott Intermediate School (IS), Crestwood IS, Edmison Heights PS, Highland Heights PS, James Strath PS, Kawartha Heights PS, Keith Wightman PS, Kenner IS, Millbrook/South Cavan PS, North Cavan PS, North Shore PS, Otonabee Valley PS, Prince of Wales PS, Queen Elizabeth PS, Queen Mary PS, R.F. Downey PS, Roger Neilson PS, and Westmount PS. Housing development in the Lily Lake Secondary Plan area and in the Village of Millbrook has been much slower than anticipated, therefore enrolment pressures at the effected schools (specifically Millbrook/South Cavan PS) has stabilized and students can be accommodated within the school or with the use of portable classrooms.

A minor boundary adjustment was completed between North Shore PS and Otonabee Valley PS related to lands subject to a draft plan of subdivision in the area of Guthrie Drive/McNamara Road in the City of Peterborough. Future students residing in this development area will attend Otonabee Valley PS and Kenner Collegiate Vocational Institute (CVI).

Action	Status
Immediate Term (1-3 years)	
Initiate a boundary review to establish the school attendance area for the new school in the Highlands of Millbrook (formerly known as Towerhill North) subdivision.	On-going. The review was initiated in the Fall of 2025. Recently, a public engagement session was held to gather feedback related to the proposed grade structure of the existing and new schools. It is anticipated that a final recommendation will be made to the Board of Trustees in the fall of 2026.
Purchase the school site identified in the Highlands of Millbrook (formerly known as Towerhill North) subdivision.	On-going. A Purchase and Sale Agreement has been entered into. The Board is waiting for Ministerial approval to purchase the property.
Monitor enrolment and building utilization within the schools affected by the family of schools and grade cohort changes approved in 2024 (i.e., Adam Scott Intermediate School, Crestwood Intermediate School, Keith Wightman PS, Kenner Intermediate School, Otonabee Valley PS, Roger Neilson PS, etc.).	On-going.
Monitor the English stream enrolment levels at Edmison Heights PS and Westmount PS. The school board may need to consider options to increase the English stream enrolment including an adjustment to the schools' attendance areas.	There is a disproportionate distribution of French Immersion students versus English stream students at both French Immersion schools, resulting in small grade cohorts in the English Stream.
Medium Term (3-5 years)	
Medium-term actions were not recommended.	

Action	Status
Long Term (5-10 years)	
Monitor the enrolment and building utilization at Highland Heights PS and the holding school, Queen Mary PS as the remainder of the Lily Lake Secondary Plan area develops out.	Housing development has not started.
Consider the purchase of the school site identified in the Nature’s Edge (Lily Lake Road) draft plan of subdivision.	Housing development has not started, therefore the site is not required at this time.
Monitor enrolment growth at R.F. Downey PS. The Board may need to consider growth management strategies such as a boundary adjustment.	Not started.

3.5 Elementary Planning Area 5

School	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
		2020	2025	2030	2035	2025	2030	2035
Apsley Central PS	141	146	179	168	160	38	27	19
Buckhorn PS	118	151	175	163	181	57	45	63
Chemong PS	501	457	460	404	383	(41)	(97)	(118)
Havelock-Belmont PS	257	218	205	189	196	(52)	(68)	(61)
Kaawaate East City PS	680	574	717	530	521	37	(150)	(159)
Lakefield District PS	678	616	592	541	558	(86)	(137)	(120)
Norwood District PS	323	275	357	365	382	34	42	59
Norwood District Intermediate	138	124	123	137	135	(15)	(1)	(3)
Warsaw PS	187	120	154	162	163	(33)	(25)	(24)

Elementary Planning Area 5 (EPA-5) encompasses the northeastern portions of the City and County of Peterborough. Schools within EPA-5 include Apsley Central PS, Buckhorn PS, Chemong PS, Havelock-Belmont PS, Kaawaate East City PS, Lakefield District PS, Norwood District PS, Norwood District IS, and Warsaw PS. Recent changes made to the grade

cohort structure at Kaawaate East City PS has created capacity within this school for the anticipated development in the Lift Lock Secondary Plan area (i.e., East City, Peterborough), which has not started. Further, the anticipated development in Lakefield and Norwood has not started.

Action	Status
Immediate Term (1-3 years)	
<p>Monitor enrolment and building utilization at Kaawaate East City PS. Consider the removal of the holding area designations within this school attendance area.</p>	<p>Accommodation pressure at Kaawaate East City PS has been relieved with the change in the grade cohort structure. Therefore, several smaller holding areas with development proposals anticipated to generate limited students were removed. Staff will continue to monitor building utilization and the remaining holding area.</p>
<p>Submit Capital Priorities request for addition and renovations at Buckhorn PS.</p>	<p>A Capital Priorities request was submitted in 2025-2026.</p>
Medium Term (3-5 years)	
<p>Monitor enrolment and building utilization at Norwood District PS and Norwood District Intermediate School as residential development is realized.</p>	<p>Housing development has not started.</p>
Long Term (5-10 years)	
<p>Monitor enrolment and utilization at Kaawaate East City PS as the Liftlock Secondary Plan begins to develop out.</p>	<p>Housing development has not started.</p>
<p>Monitor enrolment and building utilization at Lakefield District PS as the Lakefield South Secondary Plan begins to develop out.</p>	<p>Housing development has not started.</p>
<p>Consider adjustment(s) to school boundaries and/or grade cohorts if an imbalance of enrolment is realized across schools due to uneven residential development trends.</p>	<p>Not started.</p>

3.6 Elementary Planning Area 6

		School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
School	Capacity	2020	2025	2030	2035	2025	2030	2035
Baltimore PS	291	211	268	264	281	(23)	(27)	(10)
Beatrice Strong PS	349	208	305	293	270	(44)	(56)	(79)
Burnham PS	315	252	283	296	304	(32)	(19)	(11)
C.R. Gummow PS	678	705	799	772	754	121	94	76
Camborne PS	176	181	196	184	183	20	8	7
Dr. M.S. Hawkins Senior PS	216	255	258	236	211	42	20	(5)
Dale Road Senior PS	124	152	169	202	191	45	78	67
Ganaraksa Trail PS	504	419	427	448	478	(77)	(56)	(26)
Grafton PS	291	222	284	301	293	(7)	10	2
Merwin Greer PS	107	84	135	182	176	28	75	69
North Hope Central PS	95	97	131	134	138	36	39	43
Plainville PS	199	200	239	227	235	40	28	36
Roseneath Centennial PS	196	164	216	243	265	20	47	69
Terry Fox PS	401	415	412	390	387	11	(11)	(14)

Elementary Planning Area 6 (EPA-6) includes the Town of Cobourg and the Municipality of Port Hope. The schools that are within EPA-6 include Baltimore PS, Beatrice Strong PS, Burnham PS, C.R. Gummow PS, Camborne PS, Dr. M.S. Hawkins Senior PS, Dale Road Senior PS, Ganaraska Trail PS, Grafton PS, Merwin Greer PS, North Hope Central PS, Plainville PS, Roseneath Centennial PS, and Terry Fox PS.

The Cobourg East Secondary Plan area (specifically Cobourg Trails) continues to be slowly developed. At this time Merwin Greer PS has been able to accommodate the students coming out of this subdivision through the use of portable classrooms and capped/overflow school, however, the school board will need to consider other growth management strategies (i.e., holding area/school) as the area continues to develop out. Staff will also continue to monitor schools that are nearing or are at capacity (e.g., North Hope Central PS, Roseneath Centennial PS) and utilize growth management strategies where necessary.

Action	Status
Immediate Term (1-3 years)	
<p>Monitor enrolment within the Cobourg Collegiate Institute (CI) Family of Schools, specifically within the Cobourg East Secondary Plan area. If required, consider ways to manage accommodation pressure at Merwin Greer PS, C.R. Gummow PS and Cobourg CI, which may include use of capped/overflow schools, holding areas/schools and/or adjustments to school boundaries/grade cohorts.</p>	<p>On-going. For the 2026-2027 school year, Merwin Greer PS is a capped school, with C.R. Gummow PS being established as the overflow school. Staff will continue to monitor development applications in the Cobourg East Secondary Plan area and will establish holding area(s)/holding school(s), if necessary.</p>
<p>Continue to request funding from the Province through the Capital Priorities program for a new elementary school or an addition to an existing elementary school (i.e., Merwin Greer PS).</p>	<p>A Capital Priorities request was submitted in 2025-2026.</p>
<p>Consider the acquisition of the optioned property in the Cobourg Trails development area.</p>	<p>Not started.</p>
<p>Monitor French Immersion enrolment at Beatrice Strong PS.</p>	<p>On-going. Currently, the French Immersion program is from Senior Kindergarten(SK) to Grade 5, with 2026-2027 being the final year of implementation. Presently, there are 61 students in the program with the SK to Grade 2 classes having 10 or more students.</p>
Medium Term (3-5 years)	
<p>Monitor enrolment and utilization within the elementary and secondary schools within this planning area and consider adjustment(s) to school boundaries and/or grade cohorts if an imbalance of enrolment is realized across schools due to uneven enrolment growth.</p>	<p>Not started.</p>

Action	Status
Long Term (5-10 years)	
Monitor municipal plans related to urban boundary expansions, specifically within the Municipality of Port Hope, to inform future recommendations related to student accommodation planning.	Not started. Municipality has not yet initiated the urban boundary expansion.

3.7 Elementary Planning Area 7

		School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
School	Capacity	2020	2025	2030	2035	2025	2030	2035
Hastings PS	164	132	129	153	145	(35)	(11)	(19)
Hillcrest PS	384	218	274	296	301	(110)	(88)	(83)
Kent PS	269	244	263	244	245	(6)	(25)	(24)
Percy Centennial PS	245	249	273	261	271	28	16	26

Elementary Planning Area 7 (EPA-7) includes Campbellford and the surrounding area. Schools within EPA-7 include Hastings PS, Hillcrest PS, Kent PS and Percy Centennial PS. In anticipation of residential growth in Campbellford, the Board of Trustees approved a boundary adjustment between Hillcrest PS and Kent PS, which is being phased in beginning September of 2026. The development in Campbellford has not yet started, which allows the phased in approach to occur.

Action	Status
Immediate Term (1-3 years)	
A recommendation report regarding potential changes in the school attendance area and/or changes in grade cohorts between Kent PS and Hillcrest PS will be brought forward for the Board of Trustee’s consideration in the fall of 2025.	The Board of Trustees approved a boundary adjustment between Kent PS, with Hillcrest PS being the receiving school. The boundary adjustment will be phased in starting September 2026.

Action	Status
Medium Term (3-5 years)	
Monitor French Immersion enrolment at Hillcrest PS to ensure the sustainability of the program.	There are currently 86 French Immersion students across 3 grades. The Grade 1 cohort has 6 students. The Extended French program will be phased out beginning in 2028. Staff will continue to monitor French Immersion enrolment as the program continues to be phased in.
Long Term (5-10 years)	
Consider the continuation of the French Immersion program at the secondary level.	Not started.

3.8 Elementary Planning Area 8

School	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
		2020	2025	2030	2035	2025	2030	2035
Brighton PS	504	494	523	469	445	19	(35)	(59)

Spring Valley PS	291	210	216	191	171	(75)	(100)	(120)
Stockdale PS	190	224	225	198	191	35	8	1

Elementary Planning Area 8 (EPA-8) includes the eastern portion of Northumberland County and Quinte West, Murray Ward. Schools within EPS-8 include Brighton PS, Colborne PS, Murray Centennial PS, Northumberland Hills PS, Smithfield PS, Spring Valley PS, and Stockdale PS. The Municipality of Brighton has received two residential development applications and one revised application over the last six months, which is expected to generate approximately 70 elementary students. Staff will closely monitor these developments to ensure that appropriate growth management strategies are in place as Brighton is nearing its capacity. Further, the Municipality has commenced with a secondary planning process for the greenfield areas surrounding the existing built-up area. Staff have

reviewed the proposed secondary plan and have requested the Municipality consider identifying a future school site within the secondary plan. Development activity in Colborne has been slow to materialize; however, staff are closely monitoring the area as the school is presently over capacity. Residential development is ongoing in the Murray Centennial PS boundary; however, with the recent completion of the addition at Murray Centennial PS, the school will be able to accommodate the students being generated from the development.

Action	Status
Immediate Term (1-3 years)	
Monitor enrolment and utilization of the elementary schools within this planning area, specifically Brighton PS, and utilize temporary accommodations (i.e., use of portable classrooms) where necessary.	On-going.
Medium Term (3-5 years)	
Monitor enrolment and utilization of the elementary schools within this planning area, specifically Brighton PS and Colborne PS. Depending on the pace of residential growth, the school board may need to consider other growth management strategies including holding areas and schools, adjustment(s) to school boundaries and/or grade cohorts and/or capital investments (i.e., school additions).	On-going.
Monitor French Immersion enrolment at Brighton PS and Murray Centennial PS to ensure the sustainability of the program.	<p>Currently, there are 77 French Immersion students evenly dispersed across 3 grades at Brighton PS and 71 French Immersion students dispersed across 3 grades at Murray Centennial PS.</p> <p>The Extended French program will be phased out at both schools beginning in 2028.</p>
Long Term (5-10 years)	
Consider the continuation of the French Immersion program at the secondary level.	Not started.

4 Secondary Planning Areas 2026 Update

4.1 Secondary Planning Area 1

School	Capacity	School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
		2020	2025	2030	2035	2025	2030	2035
Bowmanville HS	983	979	1198	983	982	215	0	(1)
Clarington Central SS	1,154	724	862	1024	1052	(292)	(130)	(102)
Clarke HS	630	152	114	334	360	(516)	(296)	(270)
Courtice SS	841	812	754	792	808	(87)	(49)	(33)

Secondary Planning Area 1 (SPA-1) encompasses the Municipality of Clarington and includes Bowmanville High School (HS), Clarington Central Secondary School (SS), Clarke HS and Courtice SS. Housing development continues in the Foster Northwest subdivision in Newcastle and is anticipated to reach full build-out in the 2026-2027 school year. Currently there is limited residential development occurring in Bowmanville and Courtice. However, there are several development applications going through the approval process in Courtice.

Action	Status
Immediate Term (1-3 years)	
Monitor enrolment and building utilization at Bowmanville HS and Clarke HS.	On-going. In the 2026-2027 school year, students from Clarke HS will no longer be permitted to attend Bowmanville HS as out-of-boundary students, therefore, it is anticipated that enrolment between these two schools will be more balanced.
Initiate a boundary review to establish the school attendance area for the Foster Northwest neighbourhood school.	The review will be initiated in the 2026-2027 school year.

Action	Status
Medium Term (3-5 years)	
Monitor the rate and location of development in Bowmanville and consider boundary adjustments, family of school changes or capital investments (i.e., school addition) when necessary.	Not started.
Long Term (5-10 years)	
Monitor growth in the southern part of Courtice. When growth is projected to exceed pupil places in this planning area, consider the purchase of the identified school site in south Courtice and the submission of a Capital Priorities request for a new secondary school.	Not started.

4.2 Secondary Planning Area 2

		School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
School	Capacity	2020	2025	2030	2035	2025	2030	2035
Adam Scott CVI	1,102	929	1050	961	889	(52)	(141)	(213)
Crestwood SS	722	702	705	737	706	(17)	15	(16)
Kenner CVI	1,002	512	457	531	526	(545)	(471)	(476)
Norwood District HS	469	274	262	258	266	(207)	(211)	(203)
Thomas A. Stewart SS	1,408	1,084	1,228	1,215	1,223	(180)	(193)	(185)

Secondary Planning Area 2 (SPA-2) encompasses the County and City of Peterborough and includes Adam Scott Collegiate Vocational Institute (CVI), Crestwood SS, Kenner CVI, Norwood District HS, and Thomas A. Stewart SS. As noted in the elementary planning areas, residential development has been slow, therefore the anticipated growth in the secondary panel has not been realized. The changes to family of school groupings resulting from the City and County of Peterborough planning process have not made a noticeable impact on enrolment at the secondary level. However, as the changes are phased in over the next few years, it is anticipated that enrolment among the secondary schools will start to be balanced.

Action	Status
Immediate Term (1-3 years)	
Monitor enrolment and building utilization at Adam Scott CVI, Crestwood SS and Kenner CVI.	On-going.
Medium Term (3-5 years)	
Medium-term actions were not recommended.	
Long Term (5-10 years)	
Monitor enrolment and building utilization at Thomas A. Stewart SS.	Not started.

4.3 Secondary Planning Area 3

		School Enrolment				Over (+) / Under (-) Capacity		
		Historical	Current	Projected		Current	Projected	
School	Capacity	2020	2025	2030	2035	2025	2030	2035
Campbellford District HS	775	469	445	493	513	(330)	(282)	(262)
Cobourg CI	1,396	1,087	1,112	1,202	1,301	(284)	(194)	(95)
East Northumberland SS	1,186	864	930	1,051	975	(256)	(135)	(211)
Port Hope HS	757	253	222	223	231	(535)	(534)	(526)

Secondary Planning Area 3 (SPA-3) includes Northumberland County and Quinte West – Murray Ward. Schools within SPA-3 are Campbellford District HS, Cobourg CI, East Northumberland SS, and Port Hope HS. As noted in the elementary planning areas, residential growth has been slow, however, staff is anticipating growth in key areas (i.e., Cobourg, Brighton, Murray Ward) therefore some enrolment growth at the secondary level is expected over the long term.

Action	Status
Immediate Term (1-3 years)	
Immediate-term actions were not recommended.	

Action	Status
Medium Term (3-5 years)	
Medium-term actions were not recommended.	
Long Term (5-10 years)	
Monitor enrolment and utilization within the secondary schools in this planning area and consider adjustment(s) to secondary school boundaries or family of school groupings if enrolment growth at Cobourg CI and East Northumberland SS becomes unmanageable.	Monitoring is on-going. No action is recommended at this time.
Monitor municipal plans related to urban boundary expansion, specifically within the Municipality of Port Hope, to inform future recommendations related to student accommodation planning.	The process to expand the urban boundary (Port Hope) has not started.
A review of the French Immersion program within SPA-3 should be completed with consideration being given to the continuation of the program.	Not started.

Appendix A - Schools Closed to Out-of-Boundary Students

For the 2026-2027 school year, the following schools are closed to out-of-boundary students:

Municipality of Clarington

- Bowmanville High School
- Central Public School
- Courtice Secondary School
- Courtice Intermediate School
- Courtice North Public School
- Dr. G.J. MacGillivray Public School
- Dr. Ross Tilley Public School
- Hampton Junior Public School
- John M. James Public School
- M.J. Hobbs Senior Public School
- Orono Public School
- Waverley Public School

Northumberland County/Quinte West, Murray Ward

- Merwin Greer Public School
- North Hope Central Public School

City and County of Peterborough

- Adam Scott Collegiate Vocational Institute
- Adam Scott Intermediate School
- Buckhorn Public School
- Crestwood Intermediate School
- Crestwood Secondary School
- North Cavan Public School

Appendix B - Portable Classroom Placements

For the 2026-2027 school year, portable classrooms are located at the following school sites:

School Site	Portable Classrooms	Comments
Municipality of Clarington		
Bowmanville HS	7	To manage accommodation pressures.
Central PS	2	To manage accommodation pressures.
Charles Bowman PS	10	To manage accommodation pressures. With the opening of Northglen Orchard PS, 8 portable classrooms can be closed or removed.
Clarington Central Secondary School	6	To manage accommodation pressures. With the opening of Northglen Orchard PS, 4 portable classrooms can be closed or removed.
Courtice Intermediate School	4	To manage accommodation pressures.
Courtice North PS	4	To manage accommodation pressures.
Courtice SS	5	To manage accommodation pressures.
Dr. G.J. MacGillivray PS	5	To manage accommodation pressures.
Dr. Ross Tilley PS	6	To manage accommodation pressures.
Duke of Cambridge PS	5	Closed. No longer required for accommodation pressures.
Enniskillen PS	1	To manage accommodation pressures.
Hampton Junior PS	2	To manage accommodation pressures.
Harold Longworth PS	6	With the opening of Northglen Orchard PS, these portable classrooms can be closed or removed.
John M. James PS	5	To manage accommodation pressures.
Newcastle PS	6-unit porta-pak 5	To manage accommodation pressures. 4 closed portable classrooms, as no longer required for accommodation pressures.
Orono PS	1	To manage accommodation pressures.
Vincent Massey PS	1	To manage accommodation pressures.
Northumberland County and Quinte West-Murray Ward		
Brighton PS	3	To manage accommodation pressures.
C.R. Gummow PS	6	To manage accommodation pressures.
Camborne PS	1	To manage accommodation pressures.
Dale Road Senior PS	2	To manage accommodation pressures.

School Site	Portable Classrooms	Comments
East Northumberland SS	1	To manage accommodation pressures.
Ganaraska Trail PS	1	Closed. No longer required for accommodation pressures.
Kent PS	3	To manage accommodation pressures. 1 closed portable classroom, as no longer required for accommodation pressures.
Merwin Greer PS	3	To manage accommodation pressures.
Murray Centennial PS	7	To manage accommodation pressures. With the completion of the addition, 5 portable classrooms can be closed or removed.
North Hope Central PS	2	To manage accommodation pressures.
Northumberland Hills PS	1	To manage accommodation pressures.
Percy Centennial PS	1	To manage accommodation pressures.
Plainville PS	2	To manage accommodation pressures.
Roseneath PS	1	To manage accommodation pressures.
Smithfield PS	2	To manage accommodation pressures.
Stockdale PS	4	To manage accommodation pressures.
City and County of Peterborough		
Apsley Centennial PS	2	To manage accommodation pressures.
Buckhorn PS	3	To manage accommodation pressures.
Edmison Heights PS	8	To manage accommodation pressures. 4 closed portable classrooms, as no longer required for accommodation pressures.
Kaawaate East City PS	4	To manage accommodation pressures. 1 closed portable classroom, as no longer required for accommodation pressures.
Lakefield District PS	1	To manage accommodation pressures.
Millbrook/South Cavan PS	8	To manage accommodation pressures. 1 closed portable classroom, as no longer required for accommodation pressures.
North Cavan PS	5	To manage accommodation pressures.
North Shore PS	1	To manage accommodation pressures.
Norwood District PS	1	To manage accommodation pressures.
R.F. Downey PS	2	To manage accommodation pressures.
Thomas A. Stewart SS	1	To manage accommodation pressures.

Appendix C - Capped and Overflow Schools

Section 5.1 of Administrative Regulation 7.1.4, Overflow Schools, indicates that senior administration will determine schools in which enrolment caps are to be employed and identify the overflow school, if required. For the 2026-2027 school year, these schools have been identified as ‘capped’ and ‘overflow’ schools.

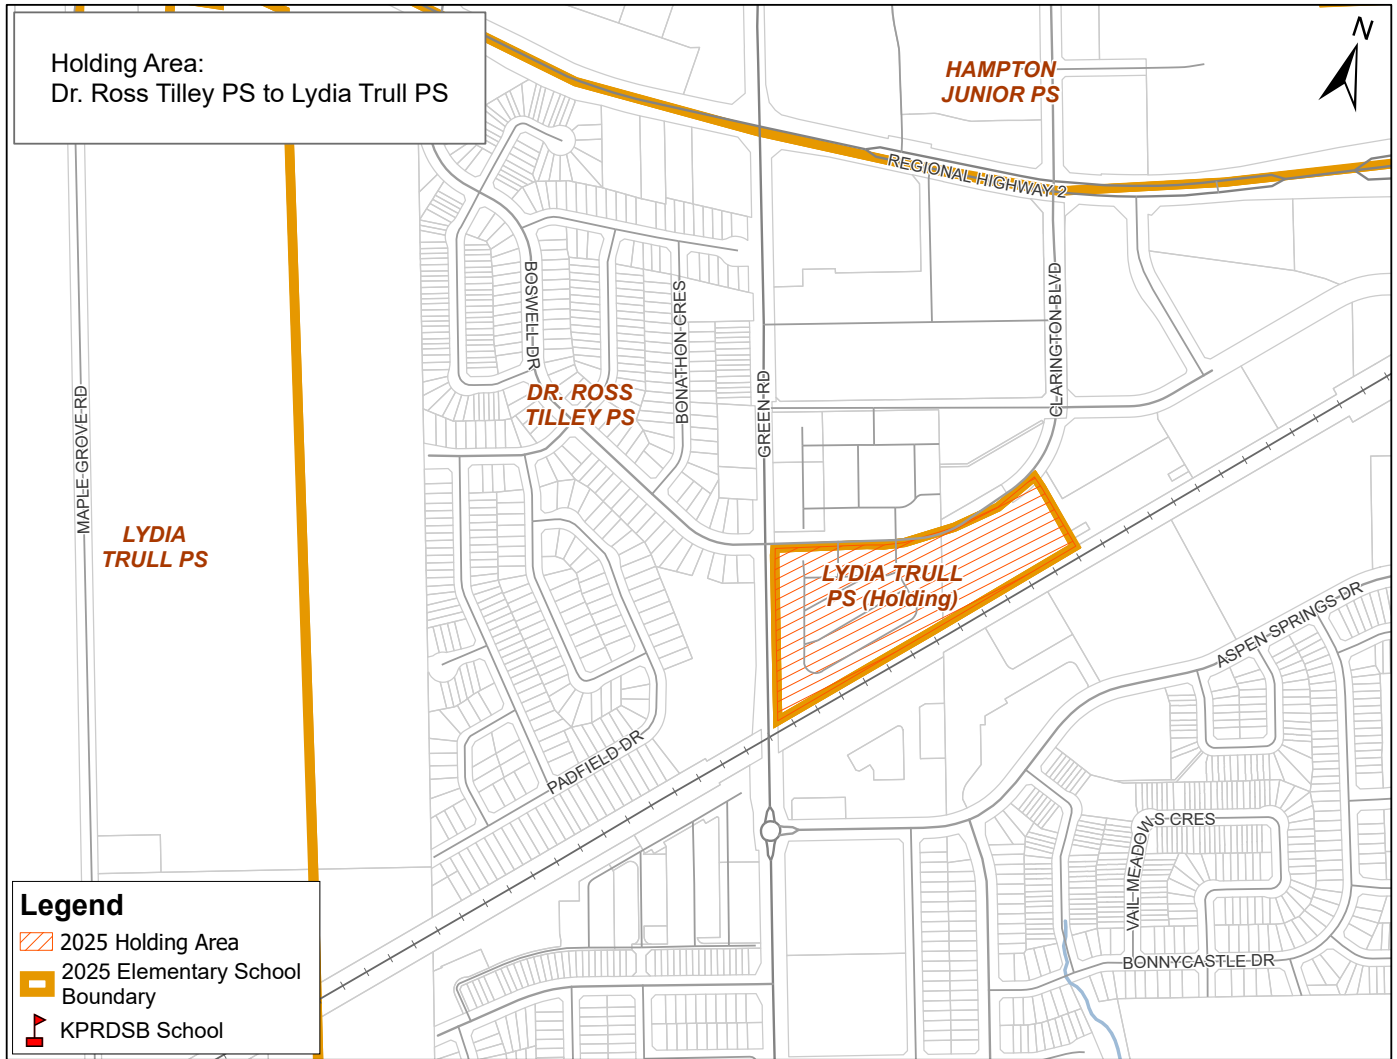

Capped School	Overflow School
Municipality of Clarington	
Central PS	Vincent Massey PS
Dr. Ross Tilley PS	Lydia Trull PS
John M. James PS	Harold Longworth PS
Northumberland County/Quinte West, Murray Ward	
Merwin Greer PS	C.R. Gummow PS

Appendix D - Holding Areas and Holding Schools

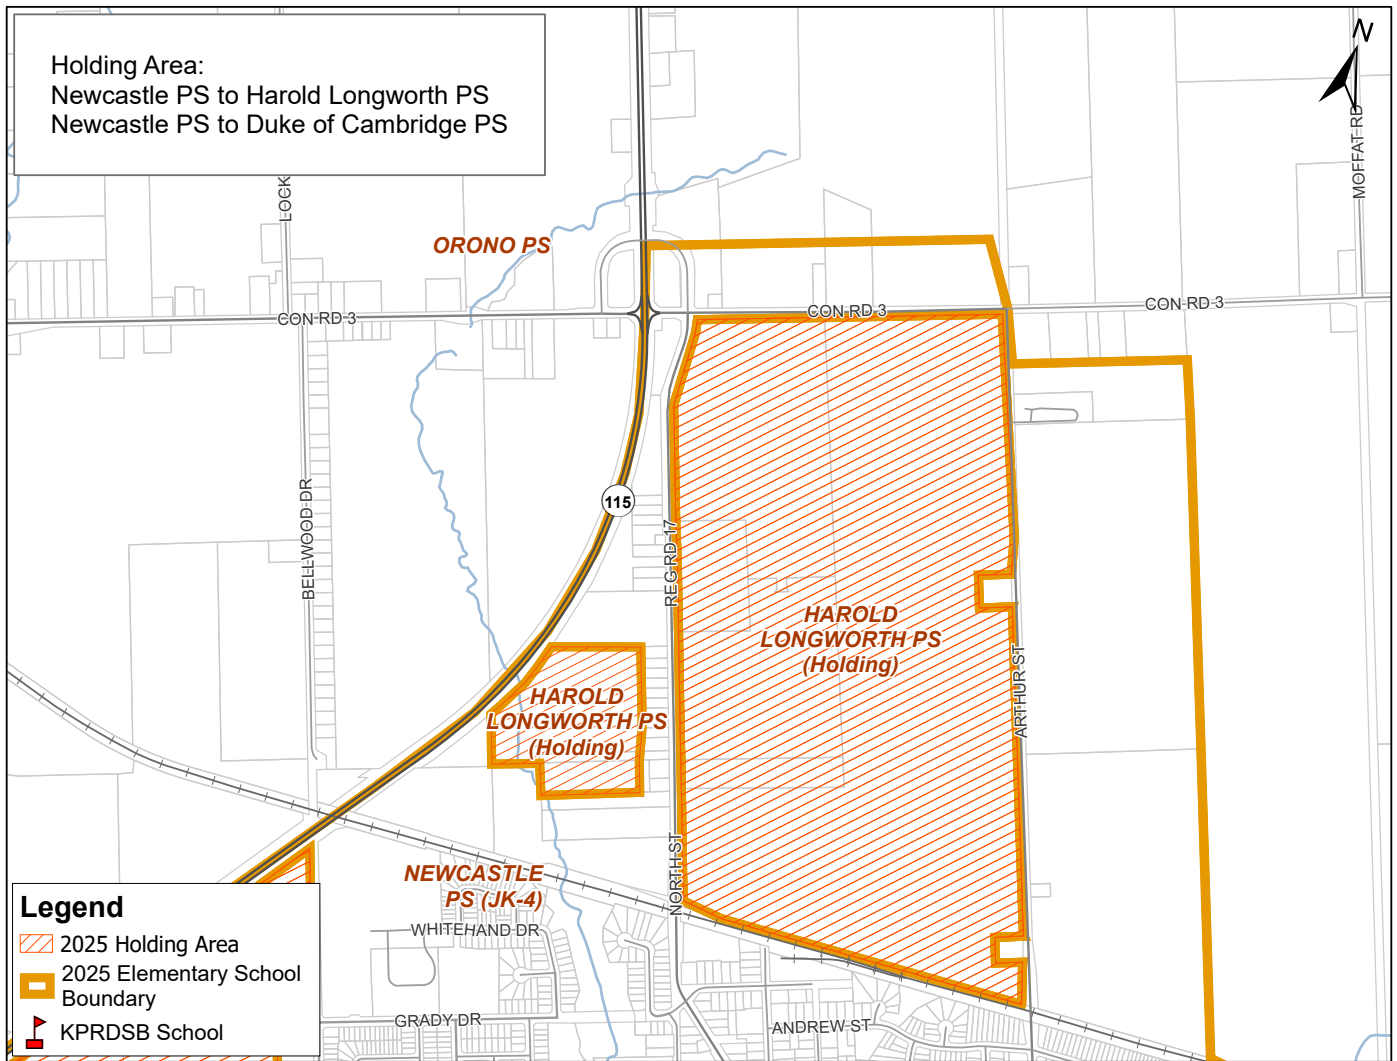

Section 5.1 of Administrative Regulation 7.1.3, Designation of Holding Areas and Holding Schools, provides Planning Services with the ability to designate holding areas and holding schools based on certain criteria. This strategy is employed if the number of students anticipated from a residential development exceeds the available capacity at the designated home school. The designation of holding areas and holding schools is a temporary solution to manage growth, with the goal of returning students to their local schools when space becomes available. Below is a current listing and mapping of holding areas and holding schools.

Holding Area	Regular Home School	Holding School
MODO Development Area, West Bowmanville	Dr. Ross Tilley PS	Lydia Trull PS
North Village Secondary Plan Area, Newcastle	Newcastle PS The Pines Senior PS	Harold Longworth PS Duke of Cambridge PS (French Immersion)
Millbrook Development Areas, Cavan Monaghan	Millbrook/South Cavan PS	Keith Wightman PS
The Kawartha Downs Lands, Fraserville, Cavan Monaghan	North Cavan PS	James Strath PS
East City Development Area 1, Peterborough	Kaawaate East City PS	Otonabee Valley PS Prince of Wales PS (French Immersion)
East City Development Area 2, Peterborough	Kaawaate East City PS	Otonabee Valley PS Prince of Wales PS (French Immersion)
Nature's Edge – Phase 2, Lily Lake Road Development Area, Peterborough	Highland Heights PS Adam Scott CVI	Queen Mary PS Kenner CVI

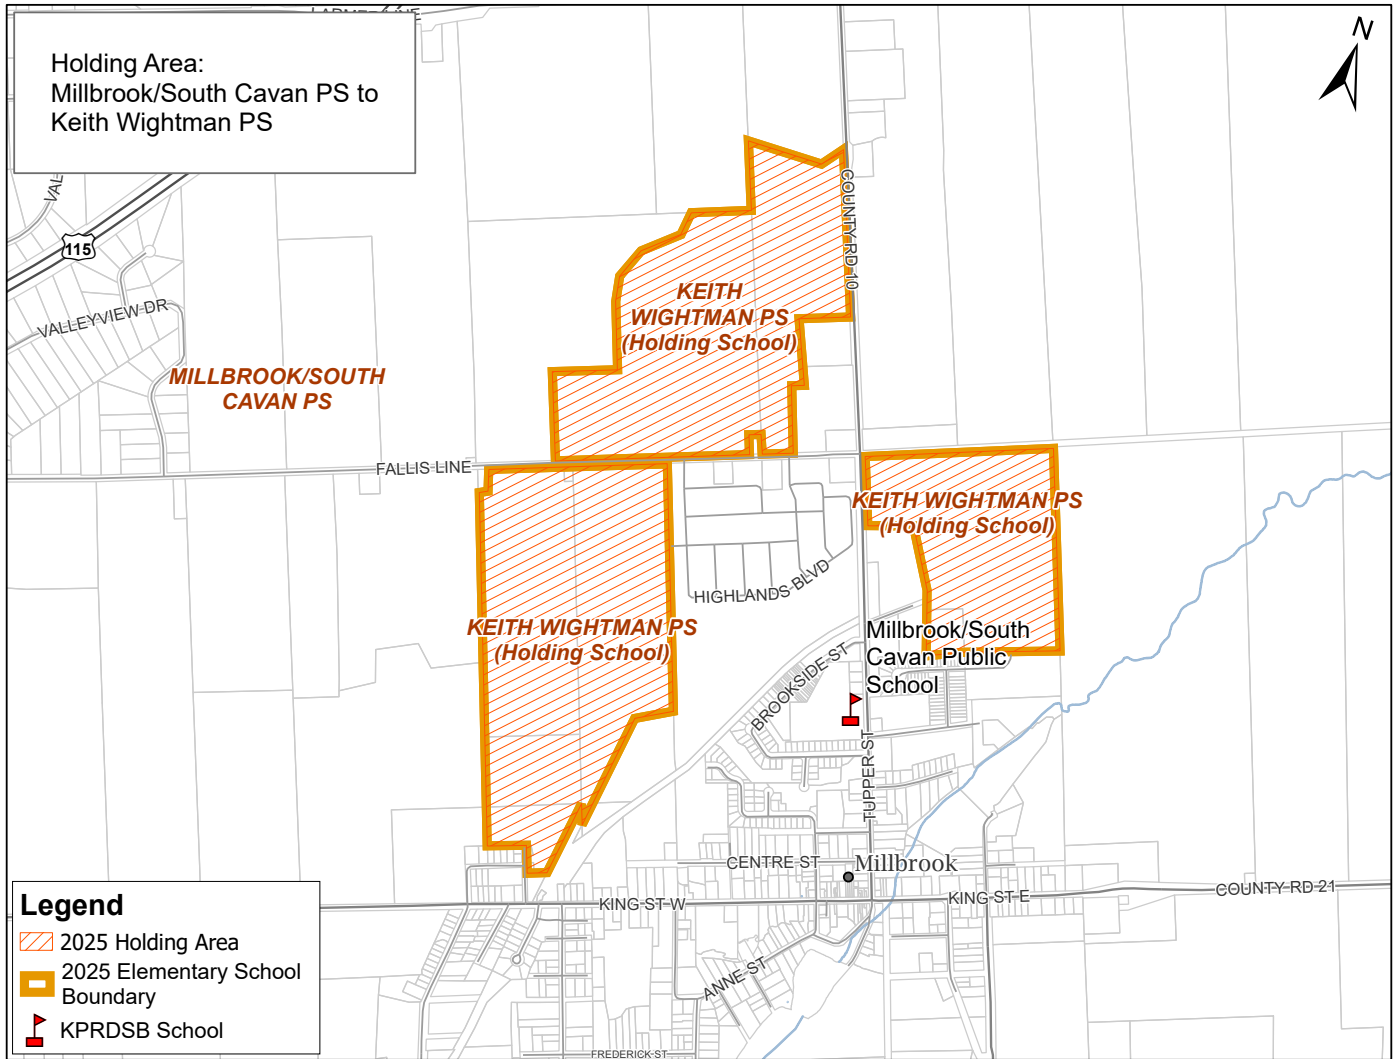

Appendix D - Map 1 MODO Development Area

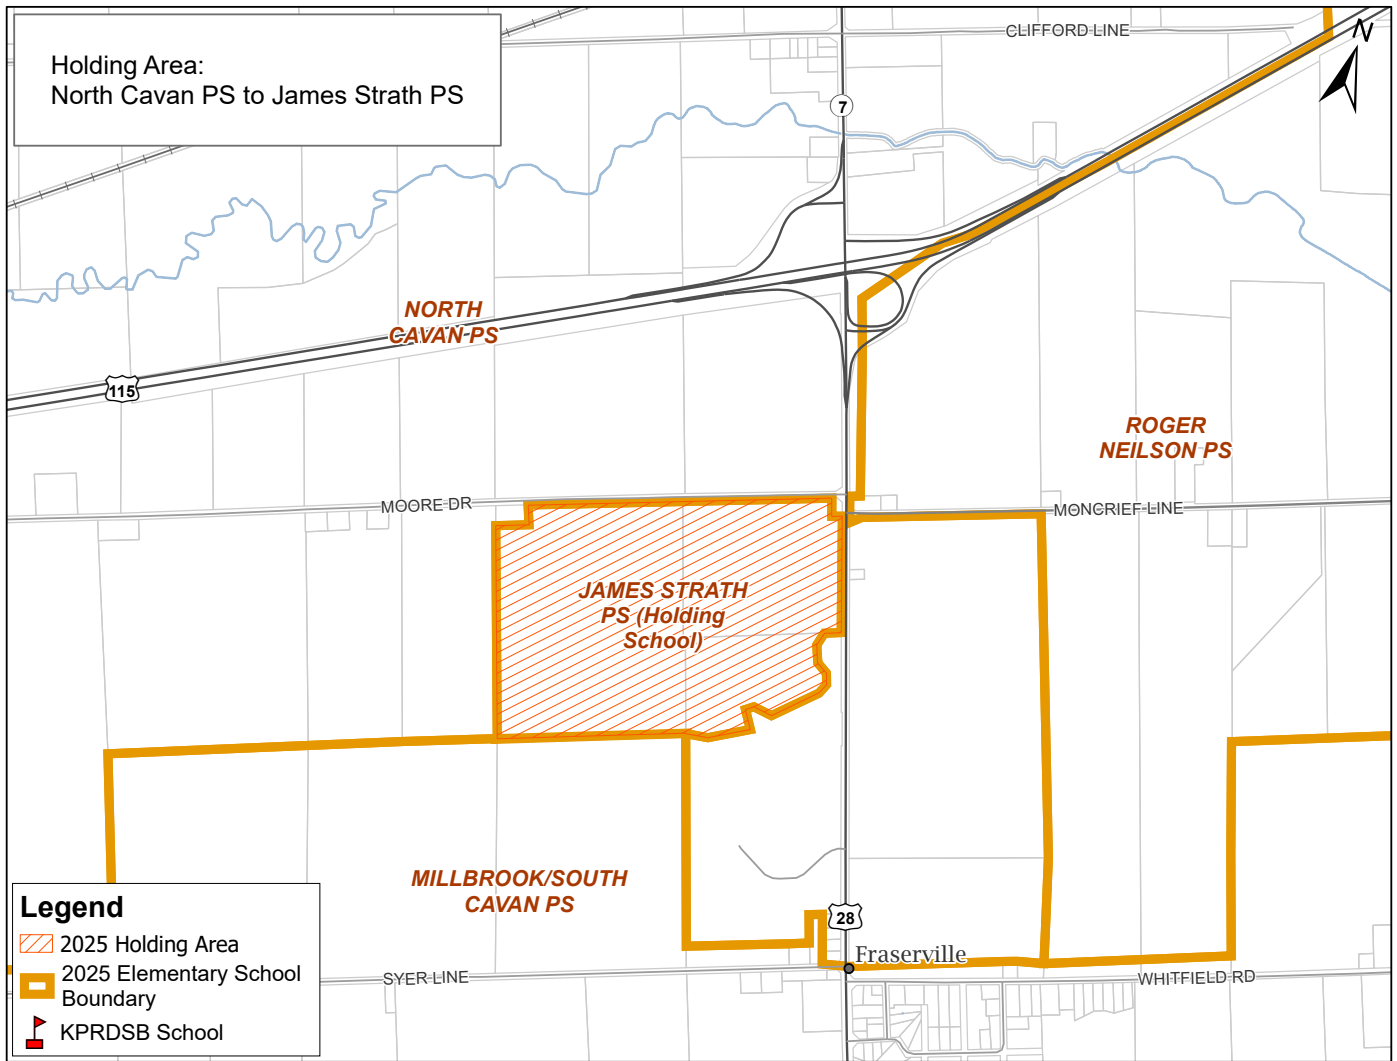

Appendix D - Map 2 NorthVillage

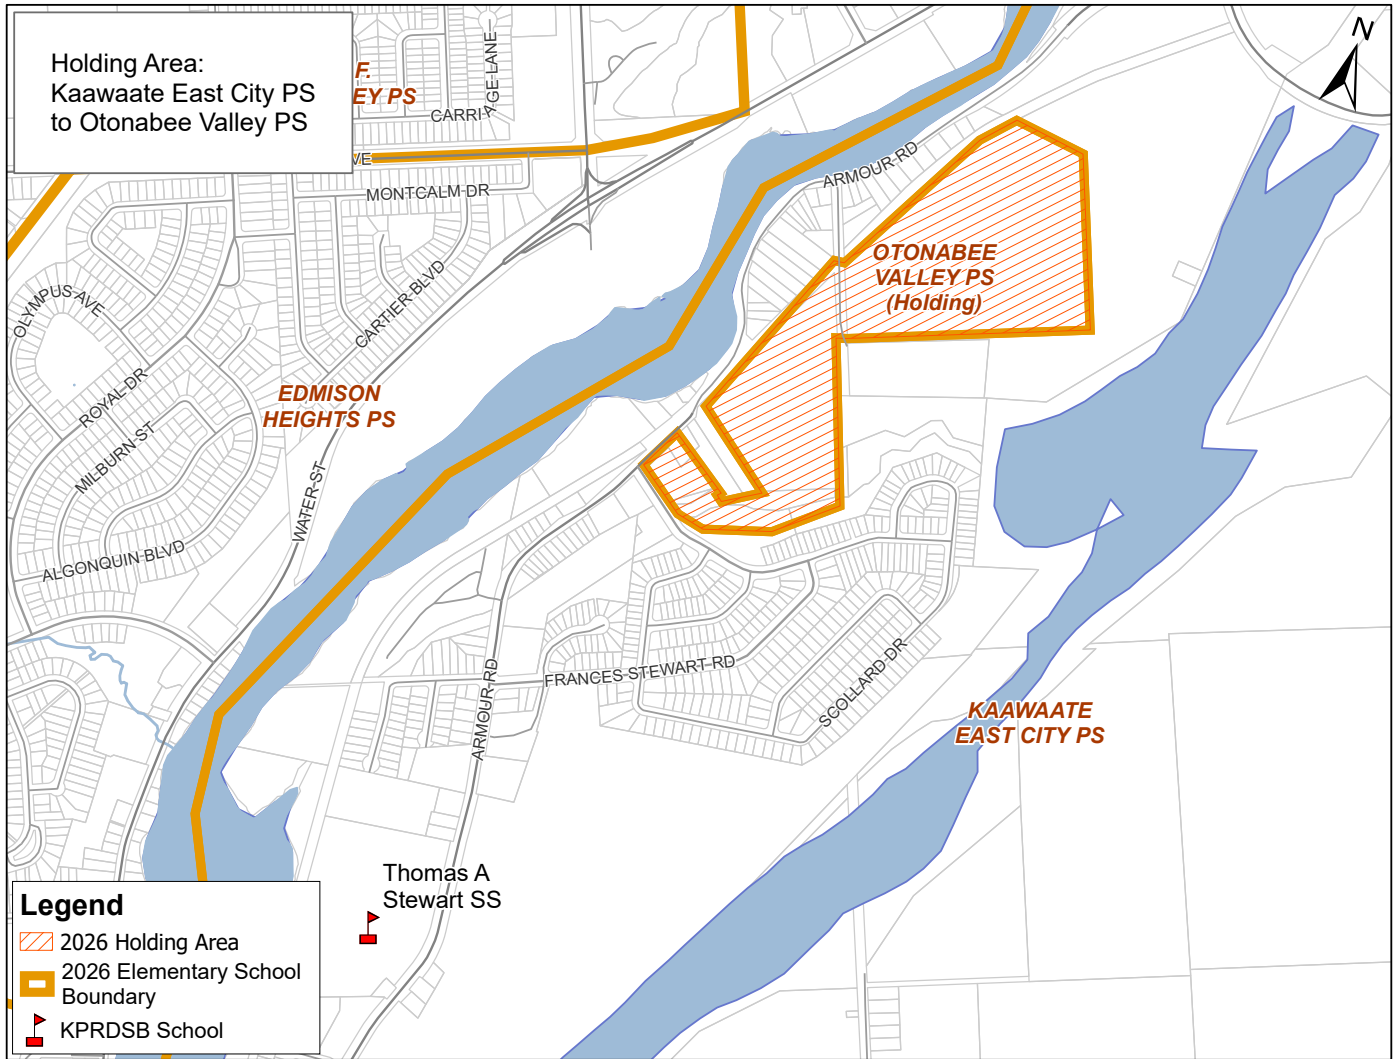

Appendix D - Map 3 Millbrook Development Areas

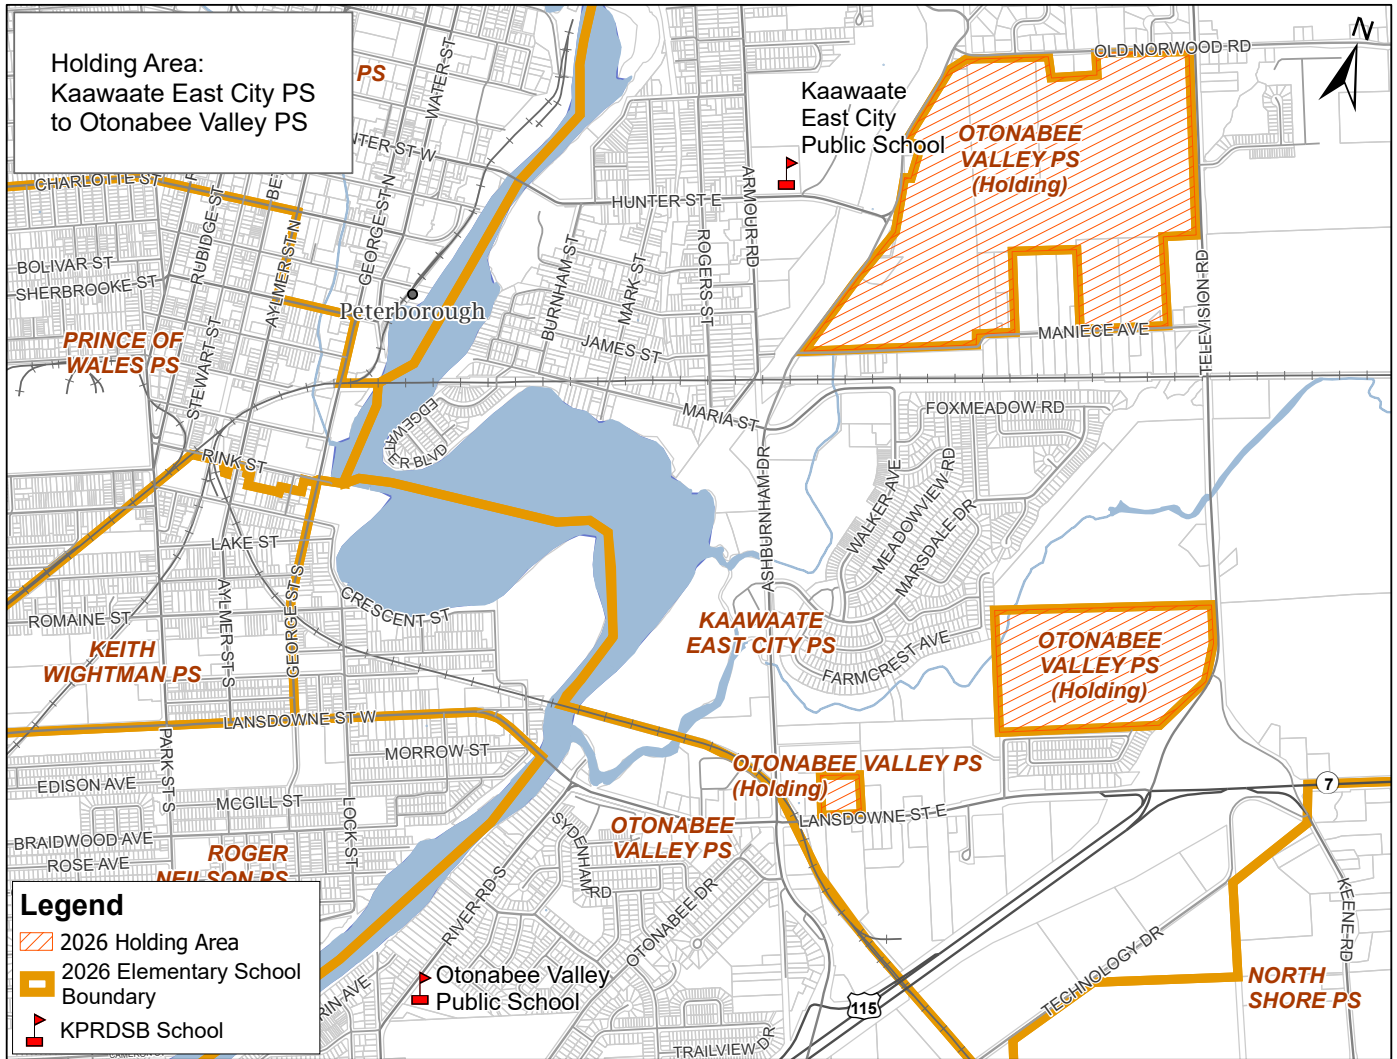

Appendix D - Map 4 Kawartha Downs

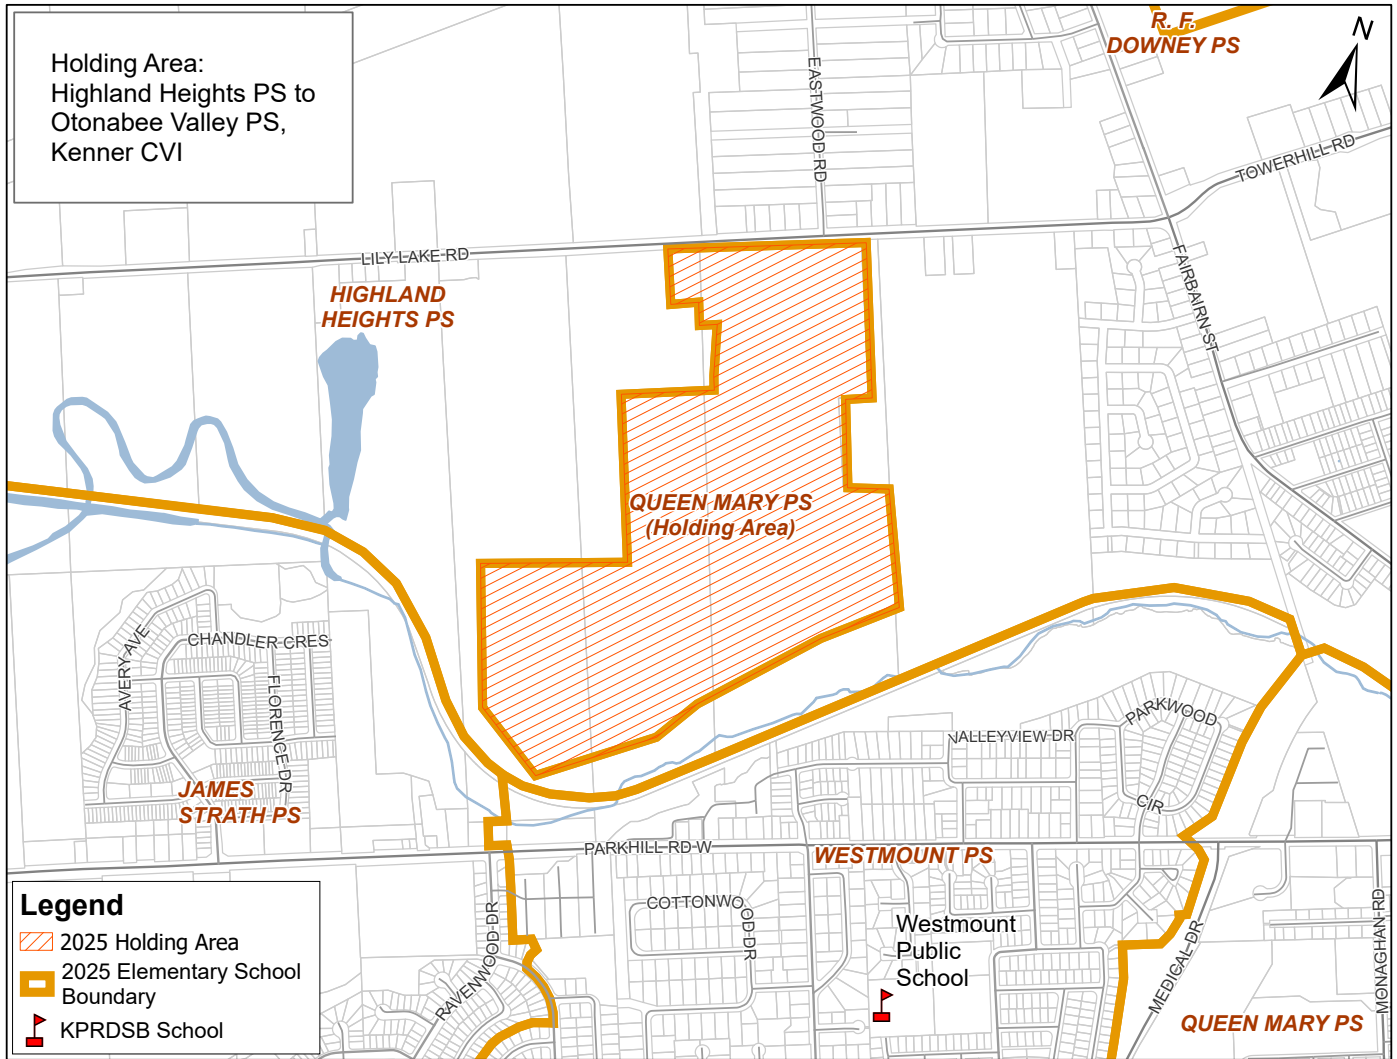

Appendix D - Map 5 East City Development

Appendix D - Map 6 East City Development

Appendix D - Map 7 Nature's Edge Phase 2

Appendix E - Closed Classrooms

Section 5.1 of Administrative Regulation 7.1.6, Closed Classroom, provides Senior Administration with the ability to designate classrooms or other instructional spaces that are determined to be surplus to the accommodation needs of the school, as closed. Below is the current list of closed classrooms.

School	Closed Classrooms	Closed Portables
Municipality of Clarington		
Duke of Cambridge PS	n/a	5
Newcastle PS	n/a	4
Northglen Orchard PS	4	n/a
Northumberland County/Quinte West, Murray Ward		
Baltimore PS	1	n/a
Ganaraska Trail PS	n/a	1
Kent PS	n/a	1
City and County of Peterborough		
Chemong PS	2	n/a
Edmison Heights PS	n/a	4
Havelock-Belmont PS	1	n/a
Highland Heights PS	1	n/a
Kaawaate East City PS	n/a	1
Kawartha Heights PS	1	n/a
Kenner Intermediate School	3	n/a
Millbrook/South Cavan PS	n/a	1
Queen Elizabeth PS	2	n/a
Queen Mary PS	3	n/a
Westmount PS	2	n/a

Appendix F - Current Capital Priorities Projects

Project	Status	Projected Opening
2021-2022		
A new 769-pupil-place JK to Grade 8 elementary school along with a four-room childcare facility located in the Northglen neighbourhood in Bowmanville.	Under construction	September 2026
2022-2023		
A two-storey, 170 pupil-place addition to Murray Centennial PS in the City of Quinte West – Murray Ward.	Completed	January 2026
2024-2025		
A new 481-pupil-place elementary school along with a four-room child care to be built on a school site identified in the Highland of Millbrook (formerly Towerhill North) subdivision in Millbrook, Township of Cavan Monaghan.	In the process of obtaining planning and building approvals from municipality. An agreement has been established for the purchase of the land, pending Ministry of Education approval.	To be determined.
A new 1,445-pupil-place JK to Grade 12 school along with a three-room child care facility to be built on Board owned property in the Foster Northwest neighbourhood in Newcastle.	In the process of obtaining planning and building approvals from municipality.	September 2028

Appendix G - Board Owned Properties for Accommodation Needs

Property and Location	Building and Land Size	Comments
Armour Heights PS 245 McFarlane Street Peterborough ON Roll No. 1514.040.140.13700	2,657 m ² (28,605 ft ²) 1.55 ha (3.83 ac.)	This property is currently vacant. The Board should consider the future needs of the site.
Glenforest Property Block 27, Plan 45M-146 1555 Glenforest Boulevard Peterborough ON oll No. 1514.020.007.70400	No Building 2.83 ha (7.0 ac.)	For future pupil accommodation needs. The Board should consider the future needs of this site.
King George PS 220 Hunter Street Peterborough ON Roll No. 1514.010.140.00100	901 m ² (29,712 ft ²) Shares land with Kaawaate East City PS	The Board has declared this property surplus.
Newcastle 115 Property Pt Lot 31, Conc. 2, Clarke Pts. 1&2, Plan 40R-28939 Grady Drive & Ruddell Road Newcastle ON Roll No. 1817.030.030.12206	No Building 7.93 ha (19.60 ac.)	For future pupil accommodation needs. Capital Priorities Program 2024-2025 funding request approved, with an anticipated opening date of September 2028.
Ridpath Junior PS 39 Ermatinger Street Lakefield ON Roll No. 1516.030.004.01200	3,307 m ² (35,593 ft ²) 2.39 ha (5.90 ac.)	The Board has declared this property as surplus.

Appendix K - Community Use in Schools and Facility Partnerships

Kawartha Pine Ridge District School Board (KPR) schools are hubs of their communities, offering a variety of ways for people to come together, and access important services. Our community partnership activities include Community Use of Schools, Childcare Centres, Before and After School Programs, EarlyON centres and Facility Partnerships in our buildings.

KPR continues to have a very active and successful Community Use of Schools program where youth and adult groups have opportunities to participate in educational, recreational, sporting and wellness activities.

These highlights reflect Community Use of Schools activity from July 1, 2025 – June 30, 2026:

- 71 Schools used for Community Use Rentals (56 Elementary sites, 13 Secondary sites, and 2 Alternative Education Centres)
- More than 905,000 participant visits to KPR schools
- Over 250 organizations rented space (110+ Youth Not-for-profit, 86 Community Not-for-profit, and 47 Private or For-profit companies)
- School-age summer programs operated at 31 schools, serving more than 1,900 youth
- Ministry of Education targeted funding of \$485,000 fully utilized to subsidize rental costs for not-for-profit youth activities (2025-26 funding amount)
- Approximately \$560,000 revenue generated to offset Community Use costs (e.g. utilities, cleaning, maintenance, equipment, and program administration).

Two Facility Partners, operated out of PCVS@PACE:

- Kawartha Art Gallery Studio, and
- Peterborough New Horizon's Band

Appendix L - Potential School Sites

Property and Location	Site Size	Comments
Municipality of Clarington		
Elementary School Site Brookhill Property, Bowmanville Block 154, Plan S-C-2012-0003 Part Lot 16, Concession 2	1.9 ha (4.8 acres)	This site is presently identified on a draft approved plan of subdivision.
Elementary School Site Riley Park, Courtice Block 170, Plan S-C-2021-0006	2.0 ha (5 acres)	This site is presently identified on a draft approved plan of subdivision. The school board is working with the developer to secure an Option to Purchase agreement for this site.
Elementary School Site Prestonvale, Courtice Block 309, Plan S-C-2022-0002	Block Size – 0.5 ha (1.1 acres) Potential Size – 2.3 ha (5.7 acres)	A portion of this site is presently identified on a draft approved plan of subdivision. The remaining portion of the school block is located on lands owned by different developers. No planning applications have been submitted for this property at this time.
Elementary School Site North Village, Newcastle Block 428, Plan S-C-2005-0003	2.4 ha (5.9 acres)	This site is presently identified on a draft approved plan of subdivision.
Elementary School Site Bowmanville East Urban Centre Secondary Plan	Unknown	The need for an elementary school site has been identified within this secondary plan – however, given the lack of available land, this school is proposed to be a vertical school or podium school.
Elementary School Site(s) Bowmanville West Urban Centre and Major Transit Area Secondary Plan	Unknown	The need for several elementary school sites (i.e., public, Catholic, French) has been identified within this secondary plan. However, given the lack of available land, the boards worked with the municipality to ensure that language was included in the secondary plan that would provide boards with the opportunity to locate student-based facilities in the ground floor of mixed-used residential buildings. KPR anticipates that 2 school sites will be required in this secondary plan area.
Elementary School Site(s) Soper Hills Secondary Plan East Bowmanville	Approximately 2.0 ha (5.0 acres)	The need for 3 elementary school sites (i.e., public, Catholic) has been identified within this secondary plan. KPR anticipates that 2 school sites will be required in this secondary plan area.
Elementary School Site(s) & Southwest Courtice Secondary Plan	Approximately 2.0 ha (5.0 acres)	The need for 3 elementary school sites (i.e., public, Catholic) has been identified within this secondary plan. KPR anticipates that 2 school sites will be required in this secondary plan area.

Property and Location	Site Size	Comments
Elementary School Site(s) & Secondary School Site Courtice Transit Oriented Community Secondary Plan	Elementary Approximately 2.0 ha (5.0 acres) Secondary Approximately 4.9 ha (12 acres)	The need for 6 elementary school sites and 2 secondary school sites (i.e., public, Catholic, French) has been identified within this secondary plan. The elementary school sites will be a mix of traditional and vertical/podium schools. KPR anticipates that 3-4 elementary school sites will be required. KPR has interest in a secondary school site that is situated between Farmington Drive and Courtice Road.
