

January, 2026

Since 2013, the teaching and learning of French as a Second Language (FSL) in the province of Ontario has been informed by the release of *A Framework for French as a Second Language, K-12* by the Ontario Ministry of Education and the Ontario Curriculum documents for FSL, (2013) for Grades 1-8, and (2014) for Grades 9-12 respectively. All aforementioned documents have been influenced by the *Common European Framework of Reference for Languages (CEFR)*. The CEFR describes the competencies that second language learners need to develop in order to communicate and interact effectively. It presents four levels of language proficiency from beginning user (levels A1 and A2) to independent user (levels B1 and B2). Mastery levels (C1 and C2) can be pursued during post secondary education.

KPR will once again offer the opportunity for our Grade 12 students enrolled in an FSL program (Core, Extended or Immersion) to challenge the DELF (Diplôme d'études en langue française). The DELF exam is an international external attestation of proficiency in French, as laid out in the CEFR. Successful completion of the DELF exam allows students to earn a diploma at their chosen level that is internationally recognized and valid for life.

In concert with the Ontario DELF Centre, KPR is offering interested students two windows of opportunity to challenge the DELF this academic year. The first window was in November, 2025. The second administration window will be during the week of April 13, 2026, where students have a choice of challenging either the A2, B1, or B2 proficiency levels.

Students will be invited to register for the April 2026 DELF exams by their FSL educators. The DELF exams will take place at **Kirby Professional Learning Centre, located at 3675 Concession Road 7, Clarington, L0B 1M0**. Parents and Guardians are responsible for ensuring that their child has transportation to and from the site. FSL educators will assist students in determining the appropriate DELF level that they should challenge.
