### 5.3 Police Record Checks

#### 5.3.1 Police Record Checks – Scope

In the interest of ensuring the safety and protection of the Board's students, the Kawartha Pine Ridge District School Board will require all new employees (teaching and non-teaching) and all occasional employees (teaching and non-teaching) to undergo a Police Record Check, the procedures for which are outlined below.

5.3.1.1 Applicants must be informed on the Board's hiring platforms that a police record will not automatically disqualify them from employment with KPR, as well as outline the process for review that the Board will undertake in the event that a candidate has a police record.

5.3.1.2 All external recruitment advertisements will include the statement: A Police Record Check is required of all individuals hired by the Kawartha Pine Ridge District School Board as a condition of employment.

5.3.1.3 All applicants for employment with the Board will be advised by Human Resource Services, at the time they are granted an interview, that a Police Record Check is a mandatory condition of employment for all new employees, at their expense, and will be required if they are the successful applicant.

5.3.1.4 A successful applicant for a position with the Board will provide a completed and duly authorized Police Record Check to the Board. A Police Record Check may be obtained from any recognized provincial or regional police authority. Confirmation of the appointment will not take place until the individual has received a satisfactory clearance.

5.3.1.5 The Police Record Check will include:

5.3.1.5.1 a Vulnerable Sector Search and a search of the Pardoned Sexual Offender Database,

5.3.1.5.2 local indices, where provided by the police service.

5.3.1.6 Police Record Checks will be stored by the Board in a confidential manner in accordance with legal requirements

including, but not limited to, Board Policy BA-1.1, Records Management.

5.3.1.7 Police record checks will only be used to confirm suitability for employment, as per the Ontario Human Rights Code.

5.3.2 Police Record Checks – No Record (Nil Report)

5.3.2.1 Human Resource Services will advise the hiring supervisor immediately upon receipt of a satisfactory clearance.

5.3.2.2 The original signed copy of the nil report from the police will be retained in the individual's personnel file in Human Resource Services. If requested by the applicant, Human Resource Services may provide a copy of the original nil report to the applicant for the applicant's future use.

5.3.2.3 A nil report does not automatically grant clearance for employment with the Board. The final decisions concerning clearance and offers of employment rest with the Board.

5.3.3 Police Record Checks – Record of Offenses

5.3.3.1 If the applicant provides the Board with a record of offenses, the record will be forwarded to the Senior Manager, Human Resource Services, or designate, for review.

5.3.3.2 The applicant may be interviewed by the Senior Manager, Human Resource Services, or designate, and the supervising superintendent responsible for the area for which the applicant is being considered, to determine the applicant's suitability for employment with the Board, with specific reference to the adverse information contained in the Police Record Check. If the decision is to grant clearance, the decision will be so noted by the Senior Manager, Human Resource Services, in the individual's personnel file in Human Resource Services.

NOTE: Persons with a police record who are otherwise suitable shall not be automatically disqualified. Any mitigating circumstances must be assessed before a final decision with respect to suitability is made. The following factors shall be considered where applicable:

5.3.3.2.1 the specific duties and responsibilities of the position in question and the relevance of the charge(s)/conviction(s) to that position,

- 5.3.3.2.2 the length of time since the conviction(s) and frequency of multiple convictions,
- 5.3.3.2.3 the rehabilitative or other efforts undertaken, and
- 5.3.3.2.4 the risk posed to students, employees, and Board property and equipment.

The final decision concerning suitability shall be made by the Senior Manager, Human Resource Services in consultation with the supervising superintendent responsible for the area for which the applicant is being considered.

- 5.3.4 Where an applicant with a police record withdraws the application, such records will be returned to the applicant, and this information shall not be retained in any Board files.
- 5.3.5 Individuals who comply with these procedures will not be required to undergo further Police Record Checks in subsequent years unless notified otherwise.
- 5.3.6 Applicants who have a police record will not be considered for employment with the Board unless the applicant can clearly and unquestionably establish, to the satisfaction of the Board, that the nature of such offenses is not contrary to the need to ensure the safety and protection of the Board's students and assets.
- 5.3.7 Annual Offence Declaration

All employees must complete an annual offence declaration confirming whether they have any criminal charges or convictions.

#### **5.4 Medical Information Required for Employment**

Medical information may be required for employment in certain circumstances where dictated by the requirements of the position.

In compliance with human rights legislation and practice, medical information shall be requested only after an offer of employment is made to a candidate. The offer of employment will then be conditional upon compliance with the medical requirements of the position.

Medical information will be confidentially stored as required by law and will be kept separate from an employee's personnel file. Medical information will only be requested and used to confirm suitability for employment.

#### 5.4.1 Pre-employment Medical Examination

5.4.1.1 Prior to the commencement of employment with the Board, and after an offer of employment has been made, candidates selected for certain positions may be required to undergo a medical examination by a physician and/or a functional abilities assessment by a qualified practitioner who is satisfactory to the Board to determine if the candidate meets the medical requirements of the position.

5.4.1.2 Where the candidate's personal physician conducts the medical examination, the candidate is responsible for presenting evidence of compliance with the medical requirements of the position.

5.4.1.3 Some pre-employment medical examinations and functional abilities testing may be arranged by Human Resource Services, which will be responsible for indicating to the physician the requirements of the position.

### **5.5 Term, Acting and Temporary Assignments**

#### 5.5.1 Term, Acting and Temporary Appointments – Applicability

It is the desire of the Board, in filling leadership positions, to provide the highest quality of leadership while maintaining flexibility in the system and a degree of mobility among employees. To those ends, a plan of term, acting and temporary appointments exists in accordance with the procedures set out below. In the administration of the administrative regulation, all employees should keep in mind that positions of leadership and responsibility are also subject to evaluation and/or annual review, and employees in such positions are subject to performance review. It is imperative that good communication attend all stages of the processes of appointment, transfer and reassignment.

5.5.1.1 This administrative regulation applies to term, acting and temporary appointments to operations and program management and supervisory positions below the level of superintendent, and to centrally assigned resource staff.

5.5.1.2 Term, acting and temporary appointments for principals and vice-principals will be in accordance with Section 5.1, Appointment to Positions Except Senior Administration, and the

---

terms and conditions of employment for principals and vice-principals as approved by the Board.

5.5.1.3 Secondary school leadership positions are determined by the terms of the collective agreement and are subject to the approval of the superintendent responsible for secondary staffing.

5.5.2 Term, Acting and Temporary Appointments – General

5.5.2.1 All positions to which term appointments are made shall have descriptions of duties (job description, etc.).

5.5.2.2 All term appointments shall be scheduled to terminate in August. Acting appointments shall normally terminate in August unless the previous incumbent returns to regular assignment.

5.5.2.3 Term appointments shall normally conform to the following schedule of duration: centrally assigned resource staff – up to three years and subject to extension in accordance with applicable collective agreement provisions.

5.5.2.4 Where an appointment occurs during the course of a school year, such term is not to exceed the time period as specified above, or where the term appointment has been preceded by an acting appointment, the duration of the appointment may be modified.

5.5.2.5 Where a position is likely to be redundant, an appointment of shorter duration may be made.

5.5.2.6 During the course of any term appointment, the appointment may be terminated if the incumbent is removed for cause or if the position has been declared redundant.

5.5.2.7 Term appointments, and those subject to collective agreement provisions, if any, may be extended or renewed in accordance with procedures established under Board Policy HR-1.0, Careers (Recruitment, Staffing, Teacher Hiring Practice, Talent Development, Retirement and Resignation), in such cases.

5.5.3 Term, Acting and Temporary Appointments – Reassignment Procedures

5.5.3.1 Where an employee already occupying a position of responsibility fills a vacancy on a term, acting or temporary appointment of one year or less, that employee's original position may be filled on an acting basis.

5.5.3.2 It is anticipated that the performance review process will facilitate communication and ensure that the employee and the appropriate superintendent will have a clear mutual understanding of the record of achievement of performance goals. As part of the annual staffing process, during the last year of a term appointment, the superintendent responsible for the area, in consultation with the superintendent responsible for system staffing, will advise the incumbent of any extension/renewal of their term.

## **5.6 Employment of Occasional Teachers**

### **5.6.1 Occasional Teachers – Definition**

The Board approves the employment of occasional teachers (as defined in the Education Act, as amended from time to time) to replace classroom teachers who are absent from regular duty and assigns to occasional teachers administrative and supervisory responsibilities which are necessary to ensure the maintenance of the quality of the learning program and the safety of the students during the absence of the classroom teacher.

### **5.6.2 Replacement of Regular Teachers**

It is expected that the temporary replacement of teaching employees will be carried out in one or several of the following ways:

- 5.6.2.1 in accordance with provisions of the collective agreement, if applicable,
- 5.6.2.2 use of other staff members, for example, combining classes where feasible, use of on-call teachers or other regular staff that may be available,
- 5.6.2.3 when it is necessary to hire a replacement, every attempt shall be made to obtain the services of an appropriately qualified person and, if none are available, unqualified persons may be employed in accordance with the Regulations of the Ministry of Education, under the Education Act.

### **5.6.3 Occasional Teachers – Criteria for Assignment**

The Board will annually establish budgets for occasional teaching replacement which are intended to cover absence of teachers due to:

- 5.6.3.1 illness,
- 5.6.3.2 paid absence in accordance with the terms of collective agreements,
- 5.6.3.3 approved unpaid leave of absences, including pregnancy/parental leave and long- and short-term personal leaves,
- 5.6.3.4 approved professional activities or committee meetings called by the Board, the Director of Education, or designate, and/or
- 5.6.3.5 approved field trips or athletic events.

#### 5.6.4 Occasional Teachers – Recruitment, Interview and Selection

The recruitment, interview and selection of occasional teachers will be coordinated centrally through Human Resource Services, supported by interview teams of school administrators. The numbers of occasional teachers recruited will reflect system needs and will comply with the provisions of the appropriate collective agreements.

### 5.7 Employment of Former Employees

There are certain legislative, regulatory and ethical factors which will be considered by the supervisor in consultation with Human Resource Services before any decision may be made regarding the employment of a former employee, including retired employees.

#### 5.7.1 Hiring of Former Employees – Definition of Employment – Compliance with Canada Revenue Agency (CRA) Regulation

All situations where former employees are employed by the Board will be on an employer/employee relationship basis with payment of wages through the Board's payroll system in compliance with CRA definition and regulation which prescribes that an employer/employee relationship exists. Any exceptions to this section will be subject to the prior approval of the Director of Education or Superintendent of Business and Corporate Services in consultation with the Senior Manager, Human Resource Services.

#### 5.7.2 Former Employees – Criteria and Approval for Employment

In addition to other requirements for a position, former employees of the Board may seek re-employment under the following conditions:

5.7.2.1 Given the complexities inherent in the employment of former employees, and in order to ensure compliance with federal and provincial legislation and regulations respecting an employer/employee relationship and pension, all employment of former employees will be subject to the prior approval of the Senior Manager, Human Resource Services, or designate.

5.7.2.2 Where a former employee is employed under the terms of this administrative regulation, there will be a break in service of at least three months between the last date of regular employment and the first date of employment following severing of employment.

In appropriate circumstances, the requirements of this section may be waived subject to the prior approval of the Senior Manager, Human Resource Services, or designate.

5.7.2.3 Ontario Teachers' Pension Plan (OTPP) regulations stipulate that a retired teacher subsequently re-employed by a school board who wishes to avoid re-enrolment in OTPP may be employed for no more than 50 days in a school year.

5.7.2.4 The former employee who is subsequently re-employed will be treated as a new hire for the purposes of determining terms and conditions of employment, including the provision of a Police Record Check with Vulnerable Section Search and a search of the Pardoned Sexual Offender Database.

### 5.7.3 Building System Capacity

The Board believes that it is important to build system capacity and administration will focus professional development resources on current employees, where possible.

## 5.8 Conflict of Interest

### 5.8.1 Specific Conflicts

5.8.1.1 Without restricting the generality of this administrative regulation, the following circumstances may give rise to conflict of interest:

5.8.1.1.1 participating in, or influencing the outcome of the appointment, hiring, promotion, supervision, or evaluation of a person with whom the employee has, or has had, a relationship;

5.8.1.1.2 acceptance by an employee of a gift from any of the following persons or entities if a reasonable person might conclude that the gift could influence the employee when performing hiring duties with the school Board:

- i. a person, group, or entity that has dealings with the school Board,
- ii. a person, group, or entity to whom the employee provides services in the course of their duties to the school Board,
- iii. a person, group, or entity that seeks to do business with the school Board.

An employee who is offered a gift in the circumstances described ii) above shall, in writing, notify their supervisor.

## 5.8.2 Procedures for Disclosure of Conflicts of Interest

5.8.2.1 All employees have an obligation to disclose to their supervisor or the Director of Education, or designate, any conflict of interest. The employee must disclose in writing as soon as they could reasonably be aware that a conflict of interest exists. The existence of a conflict of interest does not necessarily preclude involvement in the issue which has given rise to the conflict (the matter). The employee must declare, in writing, the nature and extent of the conflict of interest no later than any meeting or process in which the employee participates and at which the matter is to be considered. The employee must refrain from taking part in any discussion or decision making in relation to the matter and withdraw from any meeting or process when the matter is being discussed until a decision has been reached regarding the manner, in which the conflict of interest will be addressed.

5.8.2.2 A conflict of interest involving an employee may also be reported to a supervisor by any other person. A report to a supervisor about the existence of a potential, apparent or actual conflict of interest shall be made in writing.

### 5.8.3 Procedures for Management of Conflicts of Interest

- 5.8.3.1 If the supervisor or Director of Education, or designate, to whom the disclosure is made also has a conflict of interest, the disclosure should be made in writing to the person at the next highest level of authority.
- 5.8.3.2 The supervisor or Director of Education, or designate, will investigate to determine if a conflict of interest exists. Where appropriate, the supervisor or Director of Education, or designate, may consult with the employee and/or others.
- 5.8.3.3 If the supervisor or Director of Education determines there is a conflict of interest, the supervisor or Director of Education should resolve the matter and shall document, in writing, any remedies that have been applied.

### 5.8.4 Options for Resolving Conflicts of Interest

- 5.8.4.1 If a supervisor or Director of Education, or designate, determines that a conflict of interest exists, the supervisor or Director of Education, or designate, will decide a course of action from the following options:
  - 5.8.4.1.1 If the matter pertains to paragraph 5.8.1.1.1 above, and where the employee may be knowledgeable and have information central to the discussion, the employee with a conflict or appearance of conflict may be permitted to be involved in the matter without participating in the final decision,
  - 5.8.4.1.2 If an employee fails to disclose a conflict, a range of remedies can be applied, up to and including the termination of employment.

### 5.8.5 Contraventions of Section 5.8, Conflict of Interest

Adherence to Section 5.8, Conflict of Interest, in letter and in spirit, is crucial to the relationships of trust that exist between the Board, its employees, and the public. Contraventions of this section, whether arising from dishonesty or inattention, undermine these relationships and may lead to disciplinary action. For employees, disciplinary sanctions for breach of this section may take a range of forms appropriate to the nature of the contravention and could include dismissal from employment.

## 5.9 Teacher Hiring Practice

### 5.9.1 Hiring Processes

The Board's hiring processes will include the following inter-dependent components.

#### 5.9.1.1 Qualifications and Merit

#### 5.9.1.3 Employment Mobility

The information gathered will be utilized in the development of an Employment Equity Audit.

**5.9.2.5 Creating a Fairness in Employment Plan**

The Board will work together with employee representatives and teacher federations to utilize the results of the demographic data collected and Employment Systems Review to develop a Fairness in Employment Plan that includes goals and timelines for closing gaps and removing barriers, including workplace culture and attitudinal barriers to a diverse and inclusive work environment.

The Plan will include specially constructed measures to address the ongoing effects of systemic discrimination.

## 5.10 Performance Appraisal

The purpose of performance appraisals is to support employee development. Performance appraisals within KPR are completed in alignment with the Board's strategic direction, vision for leadership in KPR and in support of students.
