These administrative regulations are written in accordance with Board Policy No. BA-6.6, Trespass – Unlawful Use of Board Property.

1. Whereas all such properties have been posted to prohibit unlawful use of the said lands; any member of a police force having jurisdiction in the municipality/county wherein is situated any of the respective parcels of land owned by or vested in the Kawartha Pine Ridge District School Board is hereby delegated, authorized and requested to lay information and charge any person or persons found using the said land in contravention of the Trespass to Property Act, R.S.O., the Highway Traffic Act, R.S.O., the Motorized Snow Vehicles Act, R.S.O, the Criminal Code of Canada, or any other Provincial or Municipal Enactment making such use thereof an offence.

Principals shall use Board Policy No. ES-1.1, Safe, Caring and Restorative Schools, and guidelines when implementing preventive and response procedures.

2. No motorized vehicles, including snowmobiles and motorcycles, shall be allowed to operate on the school grounds with the exception of the parking of cars on the regular parking area, or elsewhere if prior approval is given by the Facilities Services Department.
3. Due to the many complaints of damage to property, and the risk of personal injury to residents in the area, the use of golf equipment is prohibited on any of the Board's properties. The exception to this is the Board's organized physical education golfing instruction program.
